April 25, 2007

Dear Friend of Jesus,

Mark Gostlin has had and continues to have an extremely important role in the administration and in the development of various ministries within Good Shepherd Baptist Missions (GSBM). He and I have worked closely together since 1997 when, as pastor, he led First Baptist Church of Spencer, Ohio to host the first Good Shepherd Baptist Missions, Missionary Training School (MTS). For most of these years he has served as co-director of the MTS where over two hundred missionary families have been trained and are now in ministry all over the world.

Brother Mark was one of six men who originated and developed the Pastors Training School for GSBM in 2002. PTS is now conducted in Canada, Ohio, Georgia and Texas. His intelligence, insight, creativeness, leadership ability and teamwork approach has been beyond price with the development and operation of both the MTS and the PTS.

He has also served on the Administrative Team of Good Shepherd Baptist Missions since about 2002, and as such has been a part of establishing and steering the ministries of GSBM.

Brother Gostlin has demonstrated a tremendous zeal for serving the Lord Jesus Christ and that zeal is easy to trace in his sacrificial, earnest, and relentless service as pastor, as leader within GSBM and now as a missionary to French-speaking people. His service for the Lord is enhanced by a large and unselfish desire to be pleasing to Jesus and to follow the leadership of the Holy Spirit. I have been with him on numerous occasions when he has given a strong personal and individual witness for Jesus as he is an avid soul-winner.

It is my opinion that one of the best places to invest missions dollars is with Missionary Mark Gostlin. I believe that he will continue to give total spiritual, physical and intellectual commitment to the work of Jesus Christ. His desire to reach the French-speaking people is great, and I strongly encourage you to prayerfully and financially support this proven man of God .

Sincerely,

A handwritten signature in blue ink that reads "Darwin H. Easter, Jr." The signature is written in a cursive style.
